

## Cosy in Bed (2006)

1. The morning light  
is our first sight  
I'm here still cosy in bed with you  
At last you're here  
there's nothing I fear  
After all that we're through  
It sounds romantic but I knew

We'd see the light  
After this long night

2. Now hold me tight  
Let's forget the fight  
Of the past for we're cosy in bed at last  
You're my sun, you're my moon,  
you're my heart's most favourite tune  
After all that we've been through  
It sounds lunatic but I knew

We'd see the day  
Finding our new way... for love

3. Let's watch the sky, we will fly so high  
All my thoughts getting light  
Thinking of last night  
At last we see  
ev'rything that we can be  
After all that we've been through  
Our old love seems deep and new

Finally  
we'll be feeling free... to live
